ring

You've been invited to join Ring Neighbors Portal.

Ring invites you to join the **Haverhill Police Department** in the Ring Neighbors Portal.

Neighbors Portal provides the **Haverhill Police Department** with access to the Neighbors App, which is the largest crime-focused neighborhood watch in the country. You'll also have the ability to request video footage from Ring video doorbells and security cameras to assist in your investigations.

Join Portal Now

*Neighbors Portal is currently only supported in Google Chrome & Firefox browsers.
Unfortunately, Internet Explorer is currently not supported.

Subject:	[Everyone] RING Discount Code

To all:

I have received a few people asking about the RING discount code, below is the discount code for the Ring website (only works on website). This is the response that I received to the request for the code.

"The department promo code is NBHAVERHILL, in order for it to work you will need to enter in your department email address to be synced up.

Since our website now is already at your discounted rate the promo code will not be effective at this time."

Hello Everyone,

I just wanted to circle back prior to next week just a few last things for onboarding. I will be sending out a link later that will have the invitation for the remote onboarding. It will be in webinar format and will be very interactive so feel free to ask any questions that pop up.

I also wanted to make sure that the announcement of the partnership was going on with Morgan our pr specialist. I have ccd her on the email.

Last but not least I still need a list of the portal users that you would like to have access to the account prior to the portal going live next week. The email above should have necessary attachment with the excel sheet with requested information.

Please let me know if you have any questions

Dylan

Hello Everyone,

Thanks for hopping on with us earlier!

After going through my schedule I have concluded that a remote on boarding would be the best and quickest option for you. We are going to setup a webinar training and it will be interactive so any questions during the process we can make sure to answer.

Recap below as promised:

1. Onboarding

a) Potential Remote On boarding Date: Wednesday 16th
Recommended schedule below:

> **Session 1 @ 02:00pm** - Command Staff, PIO, Existing social media users, community outreach team etc. (90 minutes)

> **(Potential Session 2) @ 4:30pm** - Attendees: RTCC, CID, analysts, general, etc. (90 minutes)

b) Scheduling - Once confirmed, please send out a calendar invite to the team and copy myself + Morgan. Below is some messaging for sending out calendar invites--feel free to adapt as you see fit:

"Team,

We will be partnering with home-security company Ring.com, to utilize a platform they've created specifically for law enforcement called the "Neighbors Portal". Here's a quick video explaining how it works.

The Neighbors Portal will allow us to post and comment directly to the Neighbors App, send out real-time crime and safety alerts, and request footage from Ring users for investigative purposes.

*Ring will be joining us on [Date] to train our department on the tool so please keep an eye out for a calendar invite. If you're able to make it, **please accept the invite** so we can get an accurate headcount for training materials."*

2. Portal Requirements

a) Beats map - Please send us a map of your different beats/patrol areas so I can create alert zones for your users. This can be in any format, including PDF, as long as each beat/zone is clearly labeled.

b) Account Provisioning - Attached is an Excel doc outlining the data points needed to provision users. Please add everyone you sent an invite to (that would potentially need an account) and send it back our way before the scheduled onboarding. Accounts will not be provisioned until after the onboarding. Please let us know if you have any questions on this.

c) Browser Access Testing - Once portal has been created, we will send you an invite to test your access on Google Chrome, Firefox or Edge.

3. Miscellaneous

a) Seed Units - We'll send 10 cameras to your attention and follow up with a shipping confirmation when I have it.

Let me know if I forgot anything!

Subject:	Re: Pre-Onboarding Call

Sirs,

We're excited to move forward with our Haverhill partnership!

I want to introduce you to your Account Manager, Dylan Judson and our PR Coordinator, Morgan who are copied on this email.

Our next step will be to set up a call for us to all connect. We should ensure all the key stakeholders are included on the call so everyone is on the same page.

The people we ask to be included on this call would be (we understand the same person may fill more than one role):

1. Partnership POC – our main point of contact going forward (Ron)

2. Captain Doherty as the Press/Media Coordinator - He will work with Morgan from our team to coordinate the initial partnership announcement and ongoing PR moving forward.

3. Social Media Coordinator - person(s) in the department who manages comments on Facebook, Twitter, NextDoor, etc (if different from #2)....?

4. Investigative Coordinator - the resident expert when the department wants to send a video request, trained on best practices for ensuring the maximum participation and sharing of video (Captain Pistone?).

5. Community Relations Coordinator - person who oversees the team that interfaces with the community at events, HOA meetings, Neighborhood Watch meetings, etc.

It would be ideal to have all these folks on the call but essential to have them present at the actual onboarding. Involvement by each of these groups is essential for active community participation (specifically on video requests) and overall long-term success of the partnership.

We've scheduled the onboarding call for Monday at Noon. I'll be sending a calendar invite shortly.

Brad

a) Potential Remote On boarding Date: Wednesday 16th
Recommended schedule below:

Session 1 @ 02:00pm - Command Staff, PIO, Existing social media users, community outreach team etc. (90 minutes)

(Potential Session 2) @ 4:30pm - Attendees: RTCC, CID, analysts, general, etc. (90 minutes)

b) Scheduling - Once confirmed, please send out a calendar invite to the team and copy myself + Morgan. Below is some messaging for sending out calendar invites--feel free to adapt as you see fit:

"Team,

We will be partnering with home-security company Ring.com, to utilize a platform they've created specifically for law enforcement called the "Neighbors Portal". Here's a quick video explaining how it works.

The Neighbors Portal will allow us to post and comment directly to the Neighbors App, send out real-time crime and safety alerts, and request footage from Ring users for investigative purposes.

*Ring will be joining us on [Date] to train our department on the tool so please keep an eye out for a calendar invite. If you're able to make it, **please accept the invite** so we can get an accurate headcount for training materials."*

2. Portal Requirements

a) Beats map - Please send us a map of your different beats/patrol areas so I can create alert zones for your users. This can be in any format, including PDF, as long as each beat/zone is clearly labeled.

b) Account Provisioning - Attached is an Excel doc outlining the data points needed to provision users. Please add everyone you sent an invite to (that would potentially need an account) and send it back our way before the scheduled onboarding. Accounts will not be provisioned until after the onboarding. Please let us know if you have any questions on this.

c) Browser Access Testing - Once portal has been created, we will send you an invite to test your access on Google Chrome, Firefox or Edge.

3. Miscellaneous

a) Seed Units - We'll send 10 cameras to your attention and follow up with a shipping confirmation when I have it.

Let me know if I forgot anything!

Hey Ron,

Directly from our team we need the actual shapefiles instead of just the pictures. Usually this comes in a zipped folder with all the shapefile components in it.

Thank you,

Dylan

Hello Everyone,

Thanks for hopping on with us earlier!

After going through my schedule I have concluded that a remote on boarding would be the best and quickest option for you. We are going to setup a webinar training and it will be interactive so any questions during the process we can make sure to answer.

Recap below as promised:

1. Onboarding

    a) Potential Remote On boarding Date: Wednesday 16th

Recommended schedule below:

> **Session 1 @ 02:00pm** - Command Staff, PIO, Existing social media users, community outreach team etc. (90 minutes)

> **(Potential Session 2) @ 4:30pm** - Attendees: RTCC, CID, analysts, general, etc.

> (90 minutes)

b) Scheduling - Once confirmed, please send out a calendar invite to the team and copy myself + Morgan. Below is some messaging for sending out calendar invites--feel free to adapt as you see fit:

"Team,

We will be partnering with home-security company Ring.com, to utilize a platform they've created specifically for law enforcement called the "Neighbors Portal". Here's a quick video explaining how it works.

The Neighbors Portal will allow us to post and comment directly to the Neighbors App, send out real-time crime and safety alerts, and request footage from Ring users for investigative purposes.

*Ring will be joining us on [Date] to train our department on the tool so please keep an eye out for a calendar invite. If you're able to make it, **please accept the invite** so we can get an accurate headcount for training materials."*

2. Portal Requirements

a) Beats map - Please send us a map of your different beats/patrol areas so I can create alert zones for your users. This can be in any format, including PDF, as long as each beat/zone is clearly labeled.

16

b) Account Provisioning - Attached is an Excel doc outlining the data points needed to provision users. Please add everyone you sent an invite to (that would potentially need an account) and send it back our way before the scheduled onboarding. Accounts will not be provisioned until after the onboarding. Please let us know if you have any questions on this.

c) Browser Access Testing - Once portal has been created, we will send you an invite to test your access on Google Chrome, Firefox or Edge.

Hey Haverhill Team!

I'm tentatively holding Monday at Noon on my calendar for a pre-onboarding conference call. If we can get the call in on Monday we could potentially do your onboarding as early as January 7. The call will be less than 30 minutes.

Brad

On Tue, Dec 11, 2018 at 6:25 PM Bradley Wentlandt <bradley.wentlandt@ring.com> wrote:

How about Monday at noon? The key stakeholders will need to be on the call. No more than 30 minutes.

Subject:	Ring Neighbors Portal Guide Haverhill MA
Attachments:	Neighbors Portal User Guide.pdf

Hello Everyone,

Thank you for attending the Neighbors Portal Training today. Moving forward please send this to anyone you would like to have on the Neighbors Platform.

Below is a reference guide that includes login info, key takeaways from training, and special discounts for law enforcement -- also attached as a PDF, so that you can download and store on your computer. Please don't hesitate to reach out to me with questions at any time! Here's how to get started:

Quick Start
Please access the Neighbors Portal using Firefox, Chrome, or Edge. IE is not compatible.
First time logging in:
1. Check your inbox for an email from Ring Team
2. Click Join Portal
3. Follow the prompts to create your account
4. Bookmark https://nw.ring.com/ for quick, easy access to Neighbors Portal

Returning users:
1. Using either Firefox, or Google Chrome, go to https://nw.ring.com/
2. Enter your login credentials

Key Takeaways
1. **Engage on Portal.** The more your community sees your involvement, the more effective Portal features become when interacting with them.
2. **Join an Alert Zone.** Let us deliver the most important crime related posts directly to your inbox. Joining an Alert Zone is easy:
    1. Sign in → click on the blue profile icon in the upper right corner → **My Profile**
    2. Click **Select Alert Zone**
    3. Choose an **Alert Zone**
3. **Anyone Can Use Neighbors.** Neighbors is a free app that anyone can download and use. Portal grows in value with each resident that downloads the Neighbors app.

Questions?
For technical support and/or feedback, contact your Account Manager, **Dylan Judson** at **Dylan.Judson@ring.com** or **339-225-0990**
Special Offers for Law Enforcement
1. Download the Neighbors app free at https://download.ring.com/haverhill or text haverhillma to 555888
2. Get **$50 off** of eligible Ring Video Doorbells, Security Cams, and our Ring Alarm when you shop at Ring.com. Use discount code:**NBHAVERHILL** and be sure to check out using your department email address (ahaugh@haverhillpolice.com)

*Discount does not apply towards accessories and/or already discounted devices, including but not limited to Ring Video Doorbell Classic

Feedback?
The Neighbors Portal Team would appreciate hearing your feedback. Please click here for a quick survey to submit your thoughts.

Crime & Safety Only Posts

- ALL Posts and Comments go through a moderation process (24/7 - 365 days a year)

- Process takes 1-3 minutes

View, comment, and/or download videos that Ring users have publicly shared to the Neighbors Feed

All user/civilian Comments are anonymous.

- Creates a safe environment for information sharing and community engagement

- Moderation process ensures offensive, racist, hurtful, etc. comments are not posted

6

Neighbors Feed: Posting Alerts Overview
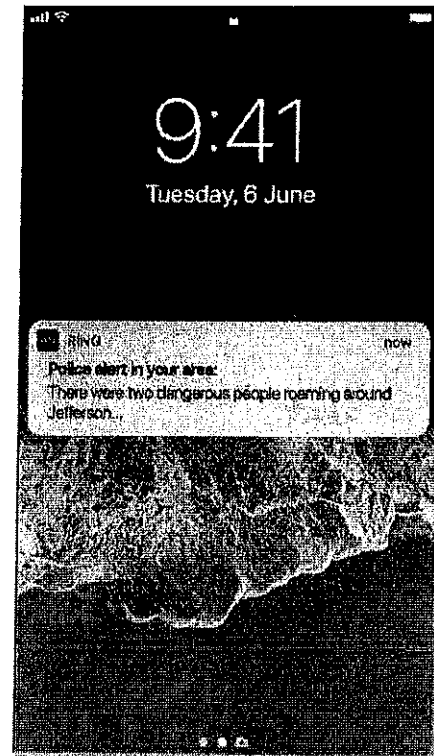

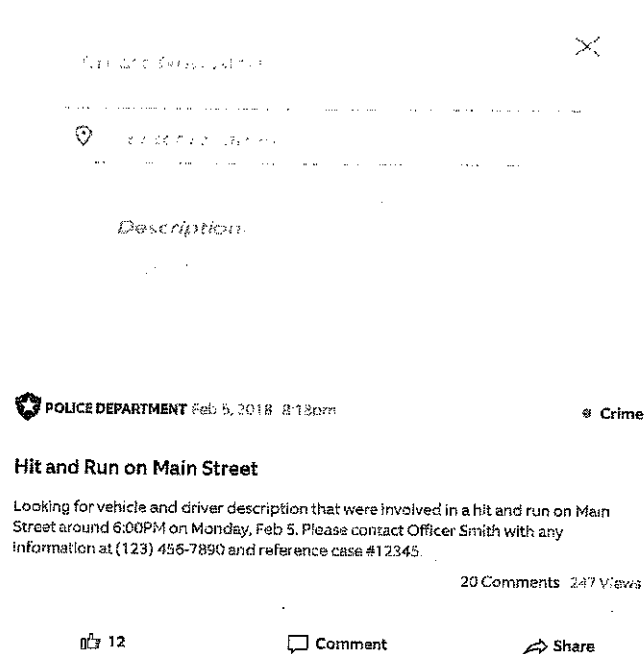

Posting New Alerts

Used for requesting info or notifying residents of an incident or crime/suspicious activity

Departments should always provide a location, attach media and short a description of the alert

Low frequency, high relevancy is key

Alerting your community in real time

Departments are able to send crime alerts to neighbors in real-time

Neighbors subscribed to posts/alerts in this area get alerted with a push notification to their locked phone screen

Neighbors Feed: Posting Alerts Best Practices

How to Post an Alert

1. Click into the Create New Alert box
2. Name your alert
   - Include the subject of the alert
     - "Car break-ins near 1st street"
   - Include the incident type
     - "CRIME", "SAFETY"
3. Enter a location of interest
   - Must type in an address
4. Include a description
   - Keep it detailed and concise

     including:

     - Location of interest
     - Time
     - Case #
     - Detective Names
     - Instructions for civilians to provide information
       - Phone number, email address
5. Tap Alert Neighbors

CRIME: Car Break-Ins Near 1st Ave   ✕

◉ 1st Ave

Reported Crime: 2 suspects breaking into cars in the 1st Ave neighborhood. Suspects are two white males in their 20's, about 6'0" feet tall, and wearing all black. Last seen yesterday, 9/18 around 11PM. If you have any information, please contact Detectives Clark and Dale at the 1st Ave Police Department and reference Case #1234. Detective Clark - 888-888-8888; detclark@dept.com. Detective Dale - 999-999-9999; detdale@dept.com.

Video Request: Zone Configuration

You can configure an area of cameras you want to pull video from.

Drag and pull access points to draw your zone.

All the cameras in the yellow zone will be asked to share videos.
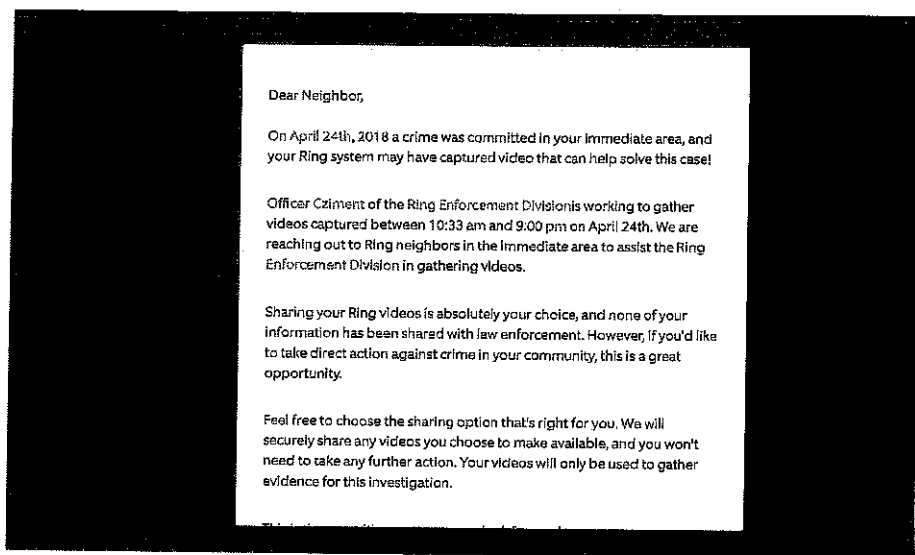

The max distance to pull video is a square half mile.

You can only ask for videos from Neighbors within your jurisdiction.

14
Video Request: Confirming the Video Request

You can review the email (top) before sending the video request to all cameras in the highlighted yellow shape (bottom).

Dear Neighbor,

On April 24th, 2018 a crime was committed in your immediate area, and your Ring system may have captured video that can help solve this case!

Officer Cziment of the Ring Enforcement Division is working to gather videos captured between 10:33 am and 9:00 pm on April 24th. We are reaching out to Ring neighbors in the immediate area to assist the Ring Enforcement Division in gathering videos.

Sharing your Ring videos is absolutely your choice, and none of your information has been shared with law enforcement. However, if you'd like to take direct action against crime in your community, this is a great opportunity.

Feel free to choose the sharing option that's right for you. We will securely share any videos you choose to make available, and you won't need to take any further action. Your videos will only be used to gather evidence for this investigation.

Video Request: Email

Neighbors will have 4 options when you request footage:

1. Share Videos
2. Review Videos
3. Don't Share
4. Unsubscribe

---

ring

Dear Micah,

On March 1st a crime was committed in your immediate area, and your Ring system may have captured video that can help solve this case!

Deputy Carroll of the LAPD is working to gather videos captured between 2PM on March 1st and 4AM on March 2nd. We are reaching out to Ring neighbors in the immediate area to assist the LAPD in gathering videos.

Sharing your Ring videos is absolutely your choice, and none of your information has been shared with law enforcement. However, if you'd like to take direct action against crime in your community, this is a great opportunity.

Feel free to choose the sharing option that's right for you. We will securely share any videos you choose to make available, and you won't need to take any further action.

This is a time sensitive matter, so we look forward to your response. Thank you for being a Ring neighbor!

Stay safe,
Ring

FAQs

- General Questions
- Accounts
- Legal
- Video Request
- Manage Videos
- Neighbors Feed

24

FAQs: General Questions

Can I see the exact address of cameras in the Neighbors Feed?

No, we obscure the exact location of devices to protect User's privacy.

Once a Neighbor shares their video with a Department, can anyone in the Department view that video?

No, only the Portal Admin and requesting officer have access to the video.

Who is the Server Host?

AWS (Amazon Web Service).

When a Neighbor is reviewing their videos for submission, is the video footage that matches the search checked or unchecked by default?

Checked by default.

Are your videos Time Stamped?

Yes, videos include a time stamp in time zone UTC.

Are there any system requirements?

Yes, Portal works best with Google Chrome, Firefox, or Edge browsers.

Does the Neighbor remain anonymous when submitting a video to Portal when requested?

No, once a Neighbor shares their video their street address, phone number and email address are revealed.

Who can I contact for Portal support

For technical support and/or feedback, contact your Account Manager at any time.

Can I see the number of cameras that are in my jurisdiction?

No, Portal does not show all cameras. When you request video footage, you will see the approximate camera density in the area.

FAQs: Accounts

Can I extend my jurisdiction line?

Yes, but only for visibility. You will not be able to request video footage to Users outside of your jurisdiction.

As a Portal Admin, can I audit the user and their messages?

No. If there is a specific message or action that needs auditing, contact your Account Manager as soon as possible.

Will certain Portal Users not have access to Request Videos or Manage Cases?

Yes becausethere are different levels of access: Admins and Users.

Can I delete a User off of Portal?

Only Admins have access to remove Users off of Portal.

FAQs: Legal

How does a Video Preservation Request work?

Departments can email Subpoena@ring.com asking Ring to save videos for the following period until a search warrant is obtained by providing us the following information: Location, Name or the Mac ID of the Ring Device.

Who do I ask for a Subpoena?

You can email Subpoena@ring.com

Who is the "Legal" contact for the Portal?

You can email legal@ring.com

When a Neighbor shares their videos do they release their rights to that video?

When Neighbors share their videos they become available for public viewing.

FAQs: Request Videos

What does the Sharing Video process look like from the Neighbors perspective?
Share Video = Sharing all video within requested time frame without reviewing
Review Video = Videos must be reviewed by Neighbor, then check marked to share
Don't Share = Neighbor chooses to decline sharing their videos

Can I edit a 'Video Request' once it gets sent out to the Neighbors?
No, you cannot make changes once the request has been sent.

When requesting videos, do I need to enter an exact address in the incident location?
Yes, an exact address is needed to continue.

Can I make changes to the Video Request email that goes out to the Neighbors?
No, you cannot make changes once the email has been sent.

What is the maximum time frame videos can be requested from?
12 hours max. The smaller the time frame, the better the results.

FAQs: Manage Videos

Once a civilian shares requested videos with me, can I see their exact address?
Once a civilian shares a video directly with your Police Department you will see the exact address of where the videos came from.

What are the Red Icon numbers in the Manage Videos tab of Portal?
These icons indicate videos that need to be reviewed within each case.

How do I actually review a video?
The User will need to click on the video from the list for it to be considered reviewed.

Does marking a video as unimportant delete the video off of Portal?
No, videos clicked as unimportant are listed in the unimportant section of the case. You cannot delete videos off of Portal.

How long do videos stay in Portal?
Once a video is shared to Portal it will live there indefinitely.

Can I download videos off of Portal onto my desktop?
Yes, videos can be download onto your desktop in MP4 format.

FAQs: Neighbors Feed

Is there a character limit when creating a Post or commenting to Neighbors?
No, there's no limit.

When creating an Alert in Portal, does my entire community in my jurisdiction see the alert?
No, not everyone will see this alert. Only the Neighbors who have that area highlighted in the Ring App Settings for their neighborhood will receive it.

When I comment on Neighbors Posts will it show a specific title?
Yes, it will show your Title and Last Name.

If Neighbors comment on my Post does everyone receive alerts?
No, not at this time.

What is the View Number in the comments?
The view number is how many times the video has been watched, not how many people have watched it.

How long do those pinpoints stay on the map after a Neighbor/Department posted something?
There is currently no expiration date, but the user will have to scroll down the list and click "more" to continue loading older events

Am I able to see Videos from communities outside of my jurisdiction?
Neighborhood Posts outside the jurisdiction are visible and do appear in the feed if they are visible on the map.

Will I be able to see other departments post?
Yes, Departments will be able to see other Departments post but will not be able to comment on the Post.

Am I able to comment on Neighbors post outside my jurisdiction?
Yes, Commenting on these Posts will soon be restricted.

[Agency] Joins 'Neighbors' by Ring to Provide Users with Real-Time, Local Crime and Safety Information
Neighbors aims to reduce crime in neighborhoods by connecting people, security cameras and law enforcement.

[City, State] -- [Date] – The [Agency] today announced that is joining the Neighbors app by Ring (available via iOS/Android here: https://download.ring.com/haverhill) to provide the [CITY/COUNTY] community with real-time, local crime and safety information. The Neighbors network already has millions of users and has been instrumental in catching package thieves, stopping burglaries, and keeping neighborhoods safe.

Residents can download the free Neighbors app, join their neighborhood, and use the app to: monitor neighborhood activity; share crime and safety-related videos, photos and text-based posts; and receive real-time safety alerts from their neighbors, local law enforcement and the Ring team.

[[Agency] quote]

Jamie Siminoff, Chief Inventor and Founder of Ring, said: "We're excited to have the [Agency] join Neighbors to keep their community up-to-date on local crime and safety information. Over the past few years we have learned that, when neighbors, the Ring team and law enforcement all work together, we can create safer communities. Neighbors is meant to facilitate real-time communication between these groups, while maintaining neighbor privacy first and foremost. By bringing security to every neighbor with the free Neighbors app, the [CITY/COUNTY] community can stay on top of crime and safety alerts as they happen."

How It Works
- Download the Neighbors app on iOS and Android here: https://download.ring.com/haverhill or by texting 'haverhillma' to 555-888 from your smartphone.
- Opt-in to join your neighborhood.
- Customize the geographic area you want to receive notifications for (users must verify where they are located and cannot participate in other neighborhoods).
- Receive real-time alerts from your neighbors, local law enforcement and the Ring team that inform of crime and safety alerts as they happen.
- View local crime and safety posts via a live feed or interactive map.
- Share text updates, photos and videos taken on any device, including Ring's home security devices.
- Work with your community to make neighborhoods safer.

About Neighbors
Neighbors is a neighborhood watch app that provides real-time, local crime and safety information. Download the free Neighbors app (iOS/Android), join your neighborhood, and use the app to: monitor neighborhood activity; share crime and safety-related videos, photos and text-based posts; and receive real-time safety alerts from your neighbors, local law enforcement and the Ring team. Download Neighbors (iOS/Android) today to join your digital neighborhood watch. For more information visit www.ring.com/neighbors.

About Ring

Ring's mission is to reduce crime in neighborhoods by creating a Ring of Security around homes and communities. Ring is an Amazon company. The Ring product line, along with Neighbors by Ring, enable Ring to offer affordable, whole-home and neighborhood security devices and services. In fact, one Los Angeles neighborhood saw a 55 percent decrease in home break-ins after Ring Doorbells were installed on just ten percent of homes. For more information, visit www.ring.com. With Ring, you're always home.

Haverhill Police Department Joins 'Neighbors' by Ring to Provide Users with Real-Time, Local Crime and Safety Information

Neighbors aims to reduce crime in neighborhoods by connecting people, security cameras and law enforcement.

Haverhill, MA – February 6, 2019 – The Haverhill Police Department today announced that is joining the Neighbors app by Ring (available via iOS/Android here: https://download.ring.com/haverhill) to provide the City of Haverhill's community with real-time, local crime and safety information. The Neighbors network already has millions of users and has been instrumental in catching package thieves, stopping burglaries, and keeping neighborhoods safe.

Residents can download the free Neighbors app, join their neighborhood, and use the app to: monitor neighborhood activity; share crime and safety-related videos, photos and text-based posts; and receive real-time safety alerts from their neighbors, local law enforcement and the Ring team.

Chief Alan R. DeNaro and the Haverhill Police Department are pleased to announce the newly formed partnership with Neighbors by Ring. Ring technology will greatly assist the Haverhill Police Department with crime reduction as well keeping the community informed of up to date safety and local crime information. We would like to thank Neighbors by Ring for this opportunity.

Jamie Siminoff, Chief Inventor and Founder of Ring, said: "We're excited to have the Haverhill Police Department join Neighbors to keep their community up-to-date on local crime and safety information. Over the past few years we have learned that, when neighbors, the Ring team and law enforcement all work together, we can create safer communities. Neighbors is meant to facilitate real-time communication between these groups, while maintaining neighbor privacy first and foremost. By bringing security to every neighbor with the free Neighbors app, the City of Haverhill's community can stay on top of crime and safety alerts as they happen."

Hello Captain Doherty,

I just wanted to circle back and see if there were any issues or concerns with the information above. We want to make sure to have your team using the live portal but until the press release goes out we cannot provision the accounts.

Please let us know if there is anything we can do to help move forward with the process.

Best,

Dylan Judson

Hello Captain Doherty,

I wanted to make sure to see if you had received the information above from Morgan. In order to get the portal up and running we need to make sure the press release goes out.

Please reach out if you have any questions,

Dylan Judson

Thanks for the intro Dylan and hello Captain Doherty!

Happy to hear that the Onboarding went well today and look forward to coordinating the public announcement components using materials attached / below so we can get Haverhill PD up and running with the new portal features as soon as possible.

1

Attached press packet materials include;

- **Press Release Template:** Ready for you to review and customize with a quote, in your standard Department template and any other edits to best fit your Department / community. Please share your final version with edits in tracked changes so we have a chance to review before final distribution.
- **In-App Alert & Draft Social Media Posts:** Once the press release is confirmed for distribution, Ring will push out the In-App alert to Neighbors app users in your and announcement posts should be ready to go live via the Dept.'s official social media channels as well.
- **Sample Talking Points & Reactive Q&A:** These are internal use docs to help you and any other Department spokespeople prepare to speak about the Neighbors app partnership and respond to commonly asked questions from the public and press once the announcement goes out.
- **Neighbors App Logo & Imagery:** High-res versions of the Neighbors app logo and other contextual images approved for use in press releases, social media posts and other public communications moving forward.

Let me know when you have a chance to review and what our timeline looks like and if tomorrow or Friday might be possible in terms of release distribution, posting on social media, etc.

Available by phone or email today anytime!

Best,

Morgan
